

Kenosha Potato Project - Catalog Picture Standards

Select two tubers of typical shape and size - place on this back ground sheet

Show one whole (grid size is 1/2 x 1/2 inch) - one cut to show flesh color

Take picture before 10am or after 5pm for softer natural light

If you can format: resolution 72 - crop to 250 x 250 pixels - save in JPG format,
name file with tuber variety and email to: seedsaver@curzio.com
